VIP Tour VIP 투어

Time / Date : 08:00 - 15:30, Wednesday, September 19
Gathering Point / Time : InterContinental Seoul COEX, 1F Lobby, 07:50 - 08:00
Venue : DMZ
Note : Please be sure to bring your passport.

The DMZ is a buffer zone between South and North Korea, bisecting the Korean Peninsula.

The DMZ has been the most popular tourist destination in Korea for foreigners since the fall of the Berlin Wall in 1989. The purpose of the zone is to prevent the recurrence of war between South & North Korea. The zone stretches 2 km north and south respectively from the ceasefire line of 1953. The land stretches across the Korean Peninsula 155 miles from the mouth of Han River to the East Coast. It's one of the most well-preserved wild-life refuges where peace and tension coexist.

Cultural Tour 문화탐방

Time / Date : 18:10 - 22:00, Wednesday, September 19

Gathering Point / Time : InterContinental Seoul COEX, 1F Lobby, 18:00 - 18:10

Performance : Traditional Korean Musical 'Sun & Moon'

Immerse yourself in Korea's colorful culture and witness a spectacular Gugak show!

Sun & Moon is a musical feast that features traditional Korean music produced by classic instruments like the Gayageum, a zither-like string instrument, and the Daegeum, a large bamboo transverse flute, and more. Together with large percussion instruments, these conventional pieces are combined with electronic, pop and rock music to create a fusion of both old and new cultures, all under the direction of famous musical director Kolleen Park. Enjoy a show of marvelous digital visual effects, dance and music in this artistic and unique music show.

Day 3 Thursday, September 20

Industrial Tour 산업시찰

Time / Date : 09:00 - 14:30, Thursday, September 20

Gathering Point / Time : InterContinental Seoul COEX, 1F Lobby, 08:50-09:00

Venue : Incheon Urban History Museum & G-Tower

Incheon Urban History Museum

Opened in August 2009, Incheon Urban History Museum is an exhibition located in Songdo District that gathers information on Incheon's urban development plans from past, present and future all in one place. More than 100,000 visitors each year from Korea and abroad are able to learn about the history of Incheon, which was the first city to implement urban development plans in Korea, and the city's future development including its vision for the future.

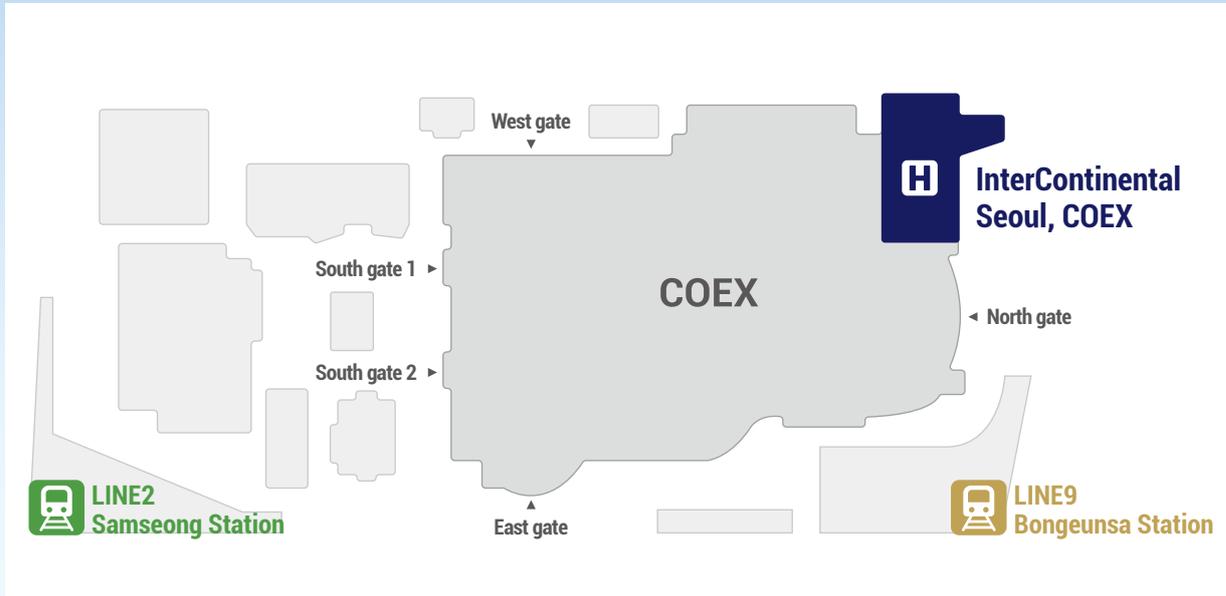

G-Tower

IFEZ (Incheon Free Economic Zone) PR Center at the 33rd floor of G Tower introduces the development plan and progress status of its projects in IFEZ. Through state-of-the-art exhibition facility of the simulation experience including the three-screen video media show, it shows the future vision of IFEZ and its development into one of the world's top 3 free economic zones.

General Information

SEOUL

Seoul has been the capital city of Korea for more than 600 years. Its population is around 10 millions, about 20 percent of the total population of Korea. For more information on Seoul, Please visit:

<http://english.seoul.go.kr>

CLIMATE

Seoul has four seasons. The yearly average temperature is 11.1°C. Average daily temperature in September for the past 3 years was 22.1°C with lows at 17.7°C and highs at 27.0°C. The average annual precipitation is 1,451mm with only 26mm in September.

CURRENCY & BANKING

The official unit of the Korean currency is the Won (KRW). **The exchange rate of 1 USD** is equivalent to approximately **KRW 1,128.30** (as of 10 September 2018). Currency exchanges are available at banks, airports and major hotels. ATM services are available at most hotels. Tipping is not expected in most restaurants and hotels.

ELECTRICITY

The power supply is mainly **220V/60hz**. Two in line holed sockets (two round-pinned plugs) are used. Adaptors and converters may be needed for participants from countries which use 110V or other different types of plugs.

CREDIT CARDS

Most large stores, hotels and restaurants in Seoul accept major international credit cards. However, it is advised to carry some cash since certain smaller establishments and stores may not accept credit cards.

LOCAL TIME

Korea Standard Time is **UTC+9**.

LOCAL & INTERNATIONAL CALLS

Country code of Korea for international inbound call is 82, and area code for Seoul is 02. For international outbound calls from Korea, 01, 002 or 00700 should be dialed first followed by the appropriate country code.

The logo for the Global Infrastructure Cooperation Conference (GICC) 2018 in Seoul, Korea. It features the letters 'GICC' in a dark blue, bold font. The 'G' contains a stylized globe with blue and white segments. The first 'I' is a vertical bar with a grid of yellow and blue squares. The second 'C' contains a stylized building with a blue roof and white walls. The third 'C' is a dashed line forming a circle, with a small green car icon on top and a grey car icon on the bottom. To the right of 'GICC' is the year '2018' in a bold, dark blue font, with 'Seoul, Korea' in a smaller, dark blue font below it.
