CONSTRUCTION MANAGEMENT PANEL

- Tender likely to be released by November this year – contracts in place by July 2020.
- Tender will seek services such as feasibility and engineering studies, design, construction, construction management, provision of technical assistance. Likely to be multiple categories that tenderers can bid for.
- The panel will service AIFFP, other areas of DFAT, other Commonwealth agencies, and sovereign lenders from AIFFP.
- Selection criteria will emphasis our infrastructure values - focused on quality.

DFAT is trialling a new video for industry briefings.

The Australian Government's [Foreign Policy White Paper](#) sets out a comprehensive framework to advance Australia's security and prosperity in a contested and competitive world. The aid program actions this by supporting inclusive growth and poverty reduction with a strong focus on the Indo-Pacific region. The Australian Government relies on a range of partners to deliver our aid program including business, non-government organisations, universities, and multilateral organisations.
